Randolph Building, Mail Stop Amendment  
401 Dulany Street  
Alexandria, VA 22314

Sir:

This is not a reply to the outstanding Office Action,  
which reply will be filed in due course.

In the Information Disclosure Statement (IDS) filed  
July 11, 2006, Japanese Patent Publication 09-205272 A was cited  
as foreign patent document AF. While this document has not been  
applied by the U.S. Examiner in the presently outstanding Office  
Action, it was applied in the corresponding European  
application; and, consequently, Applicants wish to, and hereby,  
submit a partial translation of this document (which partial  
translation was filed in the corresponding European application)  
in order to clarify differences between the present invention  
and JP '272.

In re Appln of Takashi TANIOKA et al  
Appln. No.: 10/585,878  
Submission Of Additional Information  
dated June 29, 2010

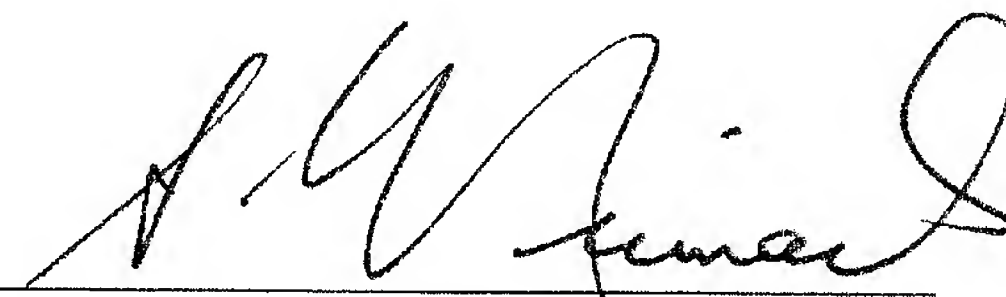

Applicants at this time believe that no additional commentary is necessary, and that the attached translation speaks for itself.

A reply to the outstanding Office Action will be filed soon.

Respectfully submitted,

BROWDY AND NEIMARK, P.L.L.C.
